Your Family Disaster Supplies Calendar

The Family Disaster Supplies Calendar is intended to help you prepare for man-made or natural disasters before they happen. Using the calendar, your family can assemble an emergency kit in the small steps over a six-month period.

Check off each week as you gather the contents. Supplies may be stored all together in a large plastic garbage can or plastic bins with wheels. Remember to rotate your perishable supplies and change water every six months.

To get started:

- Check your house for supplies that you already have on hand.
- Decide where you will store supplies.
- Meet with your family to plan.
- Check house and/or apartment for hazards and secure those things that may fall or fly away.

The shopping list for Week 12:

- Whistle
- ABC Fire Extinguisher
- Pliers: needle nose, channel locks, slipjoint, linemans
- Vice grips
- Multi-Tool

Emergency Preparedness Actions:

- Take a first-aid/CPR class.
- Take free FEMA on-line Independent Study Courses (<http://training.fema.gov>)
