## Your Family Disaster Supplies Calendar – Week 20

The Family Disaster Supplies Calendar is intended to help you prepare for man-made or natural disasters before they happen. Using the calendar, your family can assemble an emergency kit in the small steps over a six-month period.

Check off each week as you gather the contents. Supplies may be stored all together in a large plastic garbage can or plastic bins with wheels. Remember to rotate your perishable supplies and change water every six months.

### The shopping list for Week 20:

- Heavy work gloves
- Disposable dust masks
- N-95 dust masks
- Screwdriver set
- Safety goggles
- Plastic sheeting
- Duct tape

### Emergency Preparedness Actions:

- Find out about chemical hazards in or near your neighborhood
- Cut plastic to cover windows and doors for shelter-in-place
