Your Family Disaster Supplies Calendar – Week 23

The Family Disaster Supplies Calendar is intended to help you prepare for man-made or natural disasters before they happen. Using the calendar, your family can assemble an emergency kit in the small steps over a six-month period.

Check off each week as you gather the contents. Supplies may be stored all together in a large plastic garbage can or plastic bins with wheels. Remember to rotate your perishable supplies and change water every six months.

The shopping list for Week 23:

- Large plastic food bags
- Plastic wrap
- Aluminum foil
- An appropriate size backpack for every family member and pet

Emergency Preparedness Actions:

- Practice family emergency plans every six months
- Practice fire, tornado and hurricane drills each month
- Mark each bin with contents and expiration dates
- Make a master inventory list
- Check and rotate food items every six months
